President's Message

WHY NOT !

WOW!!!

That's all I can say! This past week I was at the WFX Conference and Expo here in Indianapolis. The attendance was great. There were three to four thousands attendees and the showing of facility managers was definitely on the rise. I have attended WFX in three of their last four conferences. Every year it continues to have quality facility sessions and a greater showing of Facility Managers. I heard great feedback on the Green Industry and Security sessions that were sponsored by the NACFM. These sessions will also be at our National Conference this year. Which

money's worth. You guys make the forum one of the best and most valuable tools available for facility manager. The forum allows and connects facility managers that financially may not be able to afford to attend a conference or CP, the support and help they need to do their ministry. So my hat is off to you guys who make the forum work.

The bottom line is WHY NOT! If you know of any churches in your area, take the time to contact them and see if they have a Facility Manager. Make one call a week. I was amazed just in my area of who has facility managers at their church. Offer your

“I was amazed at how many churches here in the Indianapolis area that I did not know existed...”

reminds me, if you haven't signed up for the National Conference you need too? It is a great time of teaching and fellowship.

I was amazed at how many churches here in the Indianapolis area that I didn't know existed. The NACFM had booth space at the Expo and had great response from the Facility Managers that attended. I meet many new Facility Managers just in my local area. In speaking with those facility managers, one of the biggest reasons we came up with for joining the NACFM was WHY NOT? For \$150 a year if you never came to a conference or attended a CP, but only used the forum you easily got your

support to help them make their ministry more efficient and God honoring. It's silly to do this by ourselves! While you are speaking with them, ask them “WHY NOT?”

See you at the Conference!

Kingdom Building,

Glenn

Word of the Month

Dear NACFM Members,

Your Board of Directors met for our January meeting in Memphis, TN. At that meeting, I asked the Board to come up with one word that they would use to describe the NACFM. One Word. For the next several months we will be sharing our word with you in the monthly newsletter. This month we will hear from our V.P. of Communications, Jim Boyd. Jim's Word is:

Ministry

For me, the work I do at church is more than a way to provide an income for my family. It is an opportunity to provide and be a part of ministry. Serving others is one of the most rewarding privileges we have. Going to work each day would not be worthwhile if it was only a job. I find joy in knowing that each day my work is a ministry to the Lord. Not only do I provide a ministry to others, but thru the NACFM, I get to share in the ministry of you guys. Thanks for being a part of this organization.

PROPOSED BY-LAW CHANGES TO BE VOTED ON AT THE NATIONAL CONFERENCE

In accordance with the By-laws of the NACFM, proposed changes to the by-laws must be published 30 days in advance of a business meeting. This meeting will be held on June 19, 2008 during the National Conference. In the link below you will see listed in red the proposed changes for 2008.
